Senior Resource Specialist Report
Martin Curry
November 23, 2026

Monthly update

- ✓ Wyoming Toad Recovery Team Meeting
    - Go Beyond and Ducks Unlimited are partnering to address water/irrigation issues with the property.
    - Annual releases 970 adults and 18K tadpoles. Due to drought big tadpole die-off this season.
- ✓ Wyoming Water Development Office Small Water Projects
    - The district is submitting 5 SWP this year.
        - 3 new livestock wells
        - 1 conversion from windmill to solar and adding 3 new tanks in two difference pastures
        - 1 streambank work on Little Laramie River just north of Hwy 130.
- ✓ Rural Cost Share program
    - 9H Ranch LLC (Biddick Ranch): Drilling a new electric powered well near the "Old Oasis Ranch" buildings. Will benefit 800 acres of hay meadow and uplands.
- ✓ WCCA Symposium
    - Along with Natasha and Katie attended the Wyoming's Cooperating Agency Symposium "Rooted in Partnership" in Casper. Focus was developing and maintaining partnerships with USFS and state forestry agencies.

Miscellaneous

- Legislative Function and Halloween at the LaBonte Garden
- Meeting with Bob Budd and Mike Massie, discussed the fall 2026 WWNRT applications, 2nd Bell-Otte conifer encroachment and ACWP pepper weed project.
